

Sponsoring opportunities with Strode Park Foundation

We provide vital care and support services for people with a range of disabilities

About us

With residential homes in Herne, Canterbury, Faversham, and Rainham, we offer tailored support to meet all levels of need, from supported living accommodation that promotes independence to 24-hour nursing and neuro-rehabilitation for complex disabilities.

Support us with sponsorship

Getting involved with the Strode Park Foundation is a wonderful way to support people with disabilities who are living within your town and give back to the local community.

By partnering with us, you can expand your reach and connect with more people. We will help spread the word about your business or organisation through our communication channels, including our website, Facebook and Instagram pages, email newsletter, and billboard signs.

Sponsorship Packages

We have some fantastic ways to get involved with sponsoring:

- **Exclusive Package 1** = Sponsorship of a specific show and we will place your logo on our roadside advertising, programme, and website. We also email our 1,200 subscribers and showcase you as the sponsor. Our programme has a circulation of 3,000 leaflets that are distributed across local homes each year. We will announce you as the sponsor on the night, plus you'll get 10 tickets to your chosen show, and use of our VIP area to include complimentary drinks and nibbles. You will be the only sponsor for this event. £1,000
- **Package 2** = Sponsorship of a specific show and we will place your logo on our roadside advertising, programme, and website. Our programme has a circulation of 3,000 leaflets that are distributed across local homes each year. We will announce you as the sponsor on the night, plus you'll get 5 tickets to your chosen show. There may be other sponsors as well as you with this package. £500
- **Custom Package** = This sponsorship package is one where we will work with you on a tailored project or idea that will ultimately help us raise vital funds for the people that we care for and support you to share news about your business or organisation with the local community.

Advertising

Each year, we publish an event programme where you can showcase your business through advertising opportunities. This will be delivered to over 3,000 homes across Herne Bay, Whitstable and Canterbury. You can also purchase advertising on our billboard road signs which are situated on the main road from Herne Bay into Canterbury. Prices to be discussed.
